

## for Children in Foster Care

As a child in foster care, these are my rights as long as they are in my best interest, will keep me safe, and won't go against the judge's orders.

## I have the right . . .

- To be placed in a safe and healthy home of a family member; a foster parent
  or foster home that I've lived in before; or a home that is as close to my own home as
  possible and with people who will be able to talk with me in my own language, if at all possible.
- 2. To be placed with my brothers or sisters, if possible.
- 3. To know about where I am going to live before I get there and maybe even get to visit the people or place first.
- 4. To know what is happening with me, my brothers/sisters, and my family.
- 5. To stay in the same school, if possible, and to get the best education I can get!
- 6. To be told at least five days before I have to move somewhere else, unless it's an emergency. And to be told why I am being moved in a way that I can understand. I will also have help moving my things, so I don't have to leave any of my belongings behind.
- 7. To clean clothes that fit and are right for the weather at the time.
- 8. To receive good medical, dental, eye care, counseling and other things I need to be healthy and safe. To receive only the medicine my doctors say I need for my health and well-being (and not too much!)
- **9.** To have the right amount of privacy for my age for me, my things, and my conversations/texts. If I have a juvenile record, that is also to be kept confidential.
- **10.** To not attend church or church-type events, if I am not ok with it and to freely enjoy my own religion.
- 11. To have a written plan for visits with my family and to be able to speak with my family and friends, if it is safe and fair.
- **12.** To talk to my lawyer, caseworker or CASA on a regular basis and to have a private talk with the judge, if I don't feel like anyone on my team is helping or listening to my concerns.
- 13. To help my case worker make my own service plan, understand what it says, and sign it, if I am able.
- 14. To go to and speak at court hearings or family team meetings, if it is ok for kids to attend.
- **15.** To be able to have all of the services, placements, care, treatment and benefits I need. I am to be treated equally with no bullying or revenge.
- **16.** To join after school activities and social activities as long as it is family friendly and for my age group. (Like: sports, music, dance, scouts, etc.)
- **17.** To get a job and learn job skills, if I am old enough, and learn to budget my own money. I also have the right to all of my important papers when I'm 18 and can learn about Independent Living Services.

## Want to talk with someone about your rights?

First, try talking with your caseworker. If you have tried that and it hasn't helped or you are uncomfortable doing that then . . .
